COMING SOON: The only thing missing is a welcome mat! We're so excited to announce our new listing in the desirable Richmond Park community in Cameron, NC! Professional photos are on the way (we're giving this stunning home the photoshoot it deserves on 10/10), but we couldn't wait to share this gem. This isn't just a house; it's a future home with ample room for everything from gatherings to your personal space. With 3 bedrooms, 2.5 baths, a massive bonus room with an attached office (because who doesn't need a bonus room AND an office?), and no HOA. The primary bath is a private sanctuary-we're talking dual vanities, a separate shower, a garden tub for soaking away a long day, and a toilet room for, you know, privacy. The main level also features a formal living room, dining room, and a sunroom for soaking up all the rays. Outside, the fully fenced yard and mature privacy trees mean you can have all the backyard shenanigans you want. A recently updated back deck is ready for grilling season, and with a new roof from October 2022 and a vapor barrier in the crawl space, you can rest easy. And the best part? You're only 15-20 minutes from Fort Bragg and Fayetteville and 30 minutes from Southern Pines, so you'll have a peaceful setting and a convenient commute. Showings to start 10/15/25
